

1

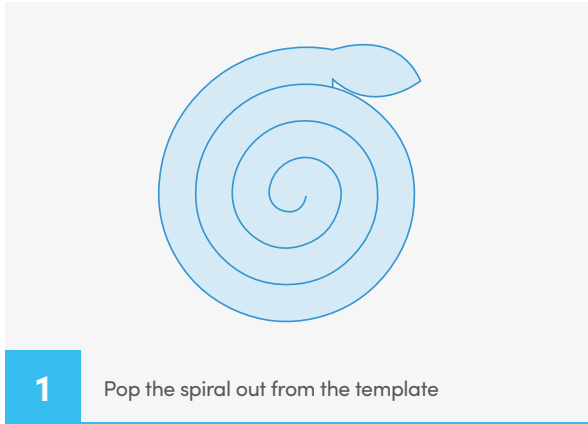

🕒 5 minutes

Easy Peasy Rose

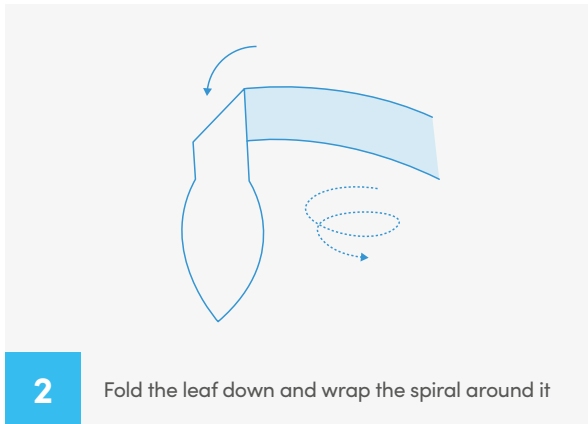

You will need:

- Rose template
- Craft wire
- Scissors
- A few minutes

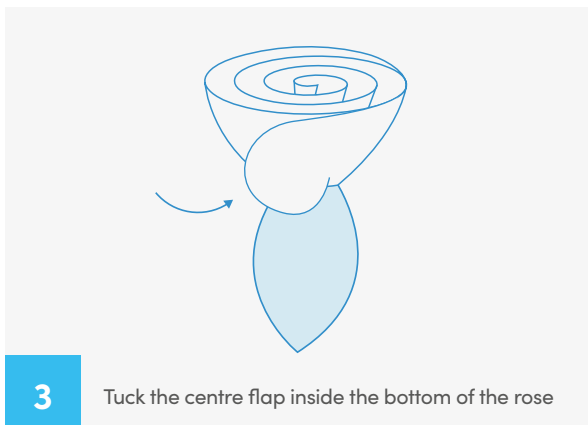

Watch our video tutorial

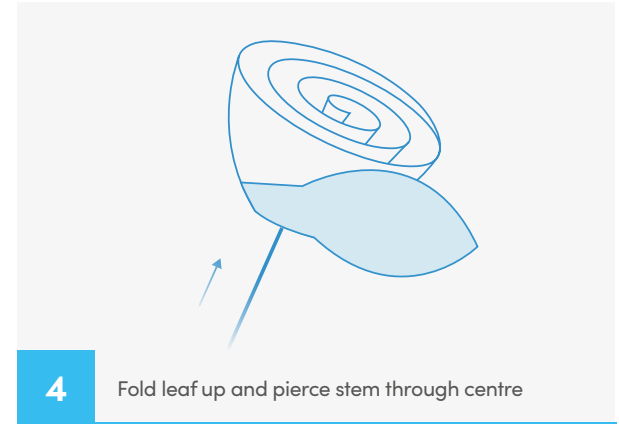

1 Pop the spiral out from the template

2 Fold the leaf down and wrap the spiral around it

3 Tuck the centre flap inside the bottom of the rose

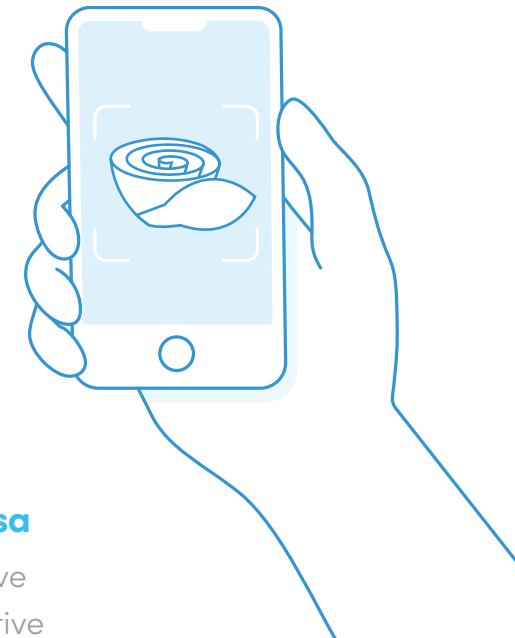

4 Fold leaf up and pierce stem through centre

Easy Peasy Rose

2

 10 minutes

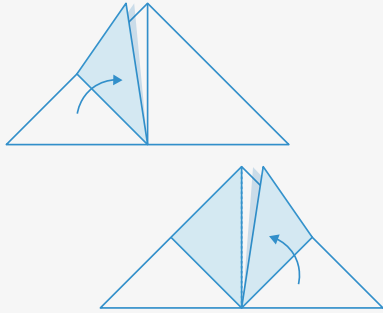

Budding Creative Rose

You will need:

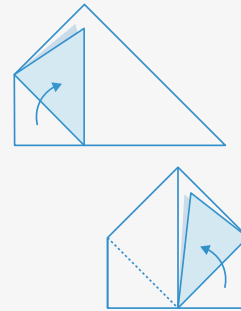

- Origami paper (15x15cm)
- Craft wire
- Creativity

Watch our video tutorial

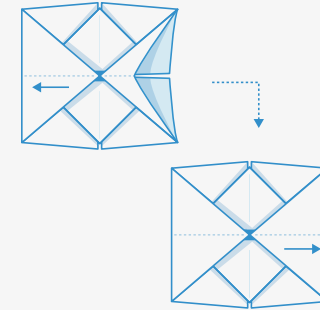

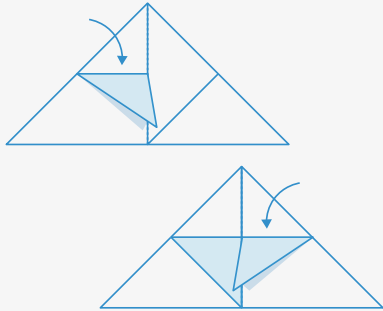

7 Fold the top layer up to the centre on both sides

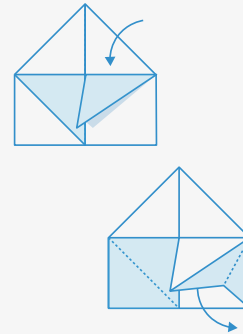

10 Turn over and fold both bottom edges up to centre

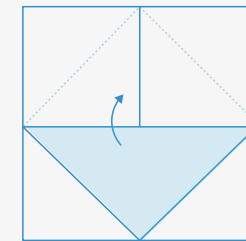

13 Flatten and crease the left and right sides

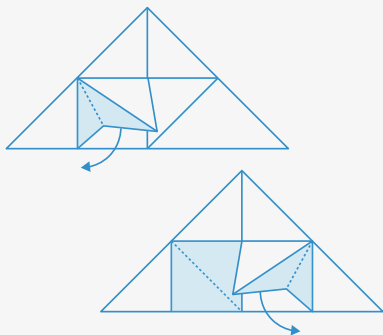

8 Fold the same two pieces down to the bottom

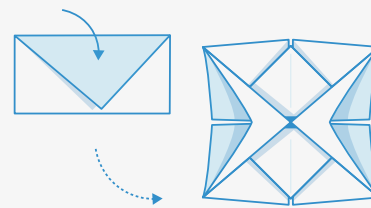

11 As per Step 9, open both triangles to make a square

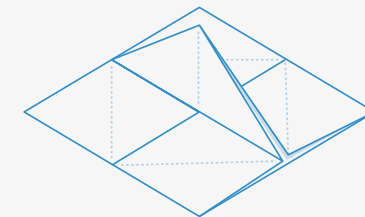

14 Turn around, fold the triangle up and crease

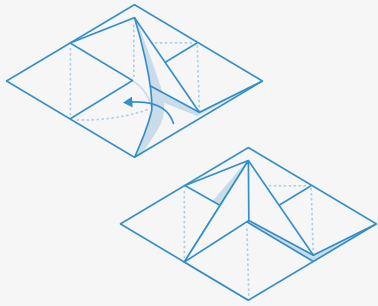

9 Open each piece and pull out to make a square

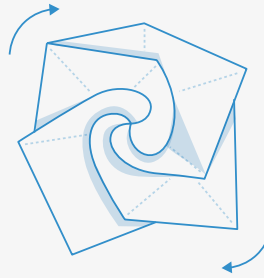

12 Fold the top triangle down, then turn upside down

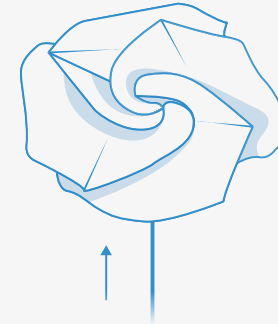

15 Stand the centre triangle upright

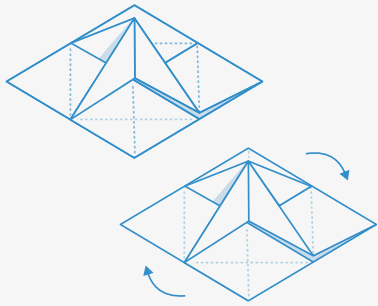

16 Open the end of the triangle and fold backwards

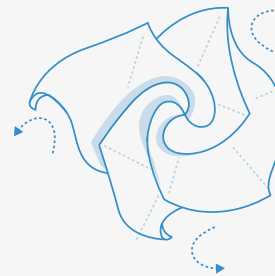

19 Continue twisting the centre tighter

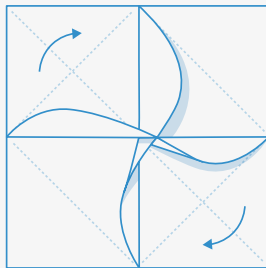

22 Pierce stem through centre and fold over the end

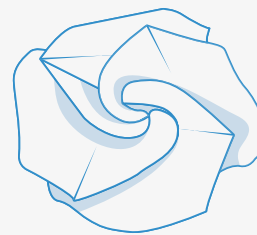

17 Rotate and repeat on the other side

20 Curl the outer edges to form petal shapes

18 Twist clockwise from the centre

21 Twist one more time and hold to set

 20 minutes

Bloomin' Difficult Rose

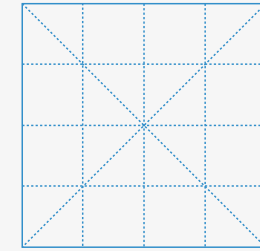

You will need:

- Origami paper (15x15cm)
- Craft wire
- Determination

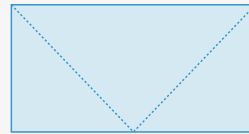

Watch our
video tutorial

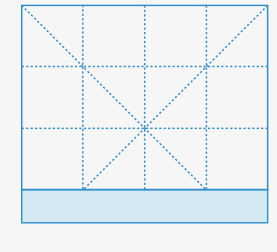

1 Fold paper diagonally on both sides

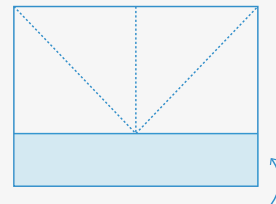

4 Your paper should look like this

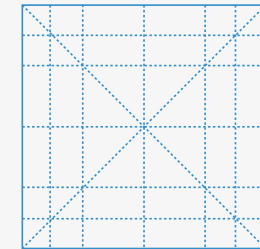

2 Fold paper in half on both sides and unfold

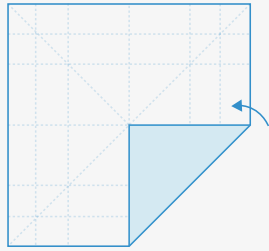

5 Fold all bottom edges up to the previous fold line

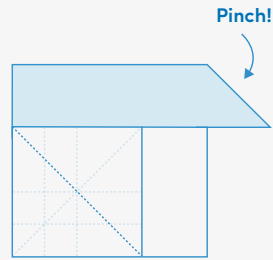

3 Fold all bottom edges up to the centre line

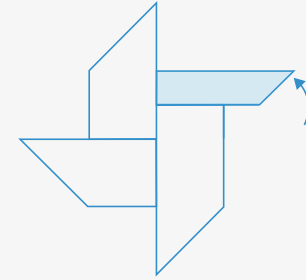

6 Your paper should now look like this

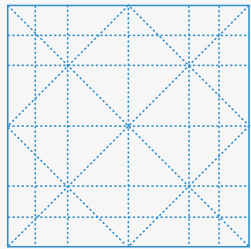

7 Fold each corner into the centre and unfold

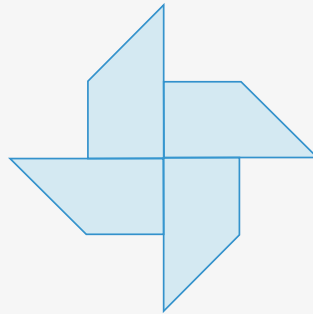

10 Fold the top edge to create a point and pinch

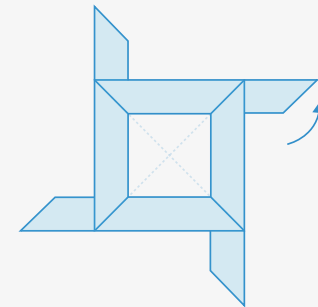

13 Repeat for all sections

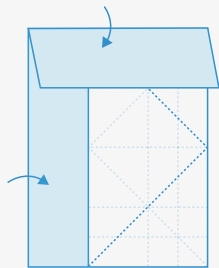

8 Your paper should now look like this

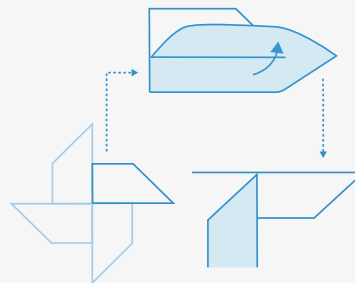

11 Repeat steps 9-10 in each direction

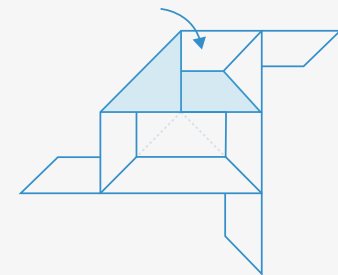

14 Fold down and crease sides.

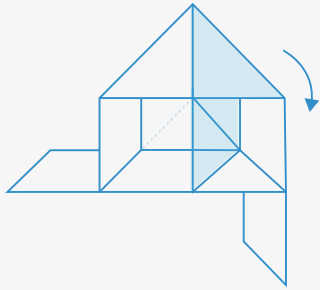

9 Fold the left quarter in and the top quarter down

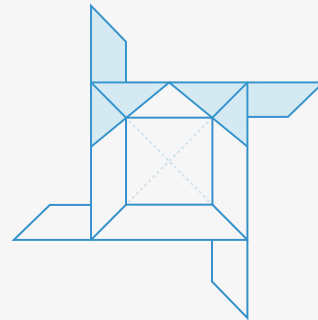

12 Fold each section in half upwards

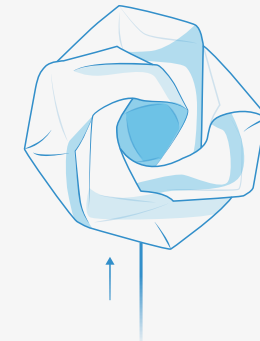

15 Take one corner and fold in.

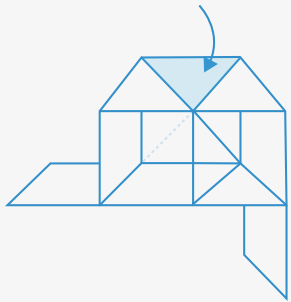

16 Repeat for each corner

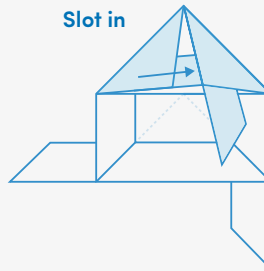

19 Fold in two of the arms

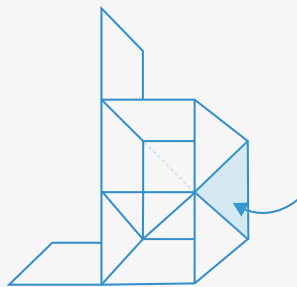

22 Pierce stem through centre and fold over the end

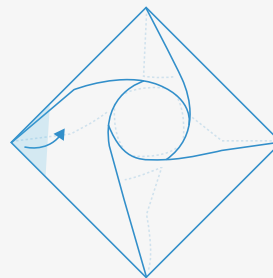

17 Fold the top triangle down, crease and unfold

20 Slot one arm into another all the way around

18 Repeat Step 17 all the way around and unfold

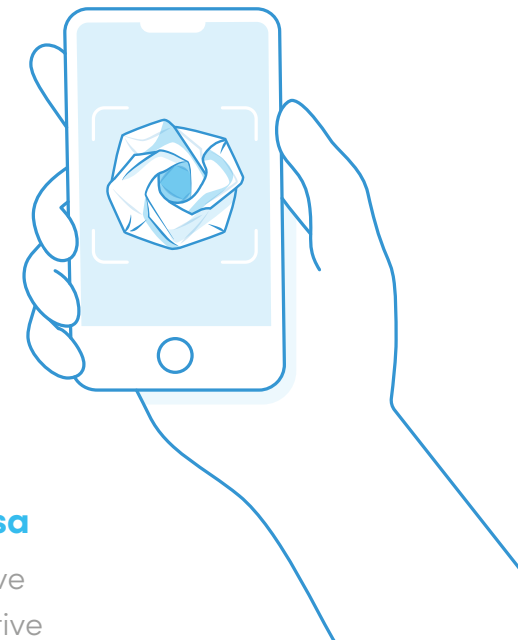

21 Open centre and curl edges up to create a rose
